## What is A Wish Come True?

Founded in 1982, we are the oldest wish-granting organization in Rhode Island and Massachusetts. We grant wishes to children age 3-18 suffering from life-threatening illnesses living in Rhode Island and SE Massachusetts.

## What makes A Wish Come True unique?

We not only provide wishes for the family, we also provide on-going support. We understand that the whole family is impacted when a loved one is ill, and we believe in the strength of community.

## How can I support A Wish Come True?

To directly support a Wish Child/Family or to learn more about volunteering and our community fundraising events please go to [awish.org](http://awish.org).
